(Purchaser's Name)

(Purchaser's Activity, i.e. Manufacturer, Public Utility, Church, etc.)

(Purchaser's Address)

(By - Signature and Title)

(Date Signed)

Vendor's License, if any _____

The appropriate reason, from the following list, shall be inserted in the unit or blanket exemption certificate when claiming exemption or exception from the Ohio Sales or Use Taxes.

- (1) For resale in the form in which the same is, or is to be, received.
- (2) For use or consumption:
 - (A) As a material or part for incorporation into personal property to be produced for sale by manufacturing, assembling, processing or refining. (8)
 - (B) Directly in production of personal property for sale by manufacturing, processing, refining, assembling or mining. (1) (8)
 - (C) Directly in production of personal property for sale by farming, agriculture, horticulture or floriculture. (2)
 - (D) Directly in production of crude oil or natural gas. (3)
 - (E) Directly in rendition of a public utility service. (6)
 - (F) Directly in making retail sales. (5)
 - (G) Directly in industrial cleaning of personal property. (7)
 - (H) Directly in cleaning personal property used in rendition of a towel or linen service or supply.
 - (1) Directly in commercial fishing.
- (3) To hold the thing transferred as security for performance of an obligation of the vendor.
- (4) To sell hold, use or consume the article as evidence of a contract of insurance.
- (5) A sale:
 - (A) To a church.
 - (B) To an organization not-for-profit, operated exclusively for charitable purposes in this state. (4)
 - (C) Of a ship or vessel for use principally in interstate or foreign commerce, or of repairs, alterations, fuels and lubricants therefor.
- (6) A sale of packages or of materials and parts therefor, or of machinery, equipment and materials for use in packaging personal property produced for sale or sold at retail to a person engaged in:
 - (A) Production of personal property for sale by manufacturing, assembling, processing or mining. (1) (8)
 - (B) Production of personal property for sale by farming, agriculture, horticulture, or floriculture. (2)
 - (C) Production of crude oil or natural gas. (3)
 - (D) Making retail sales. (5)
- (7) A sale, to a person engaged in manufacturing, assembling, processing, or refining, of handling, and transportation equipment, other than motor vehicles licensed to operate on public highways, for use in:
 - (A) intra plant transfers of personal property in the process of production for sale;
 - (B) shipment, between plants operated by the same person, of personal property in the process of production for sale.
- (8) A sale, to a person engaged in farming, agriculture, horticulture, or floriculture of tangible personal property for use or consumption:
 - (A) Directly in the production of articles for use or consumption directly in the production of other personal property for sale.
 - (B) In conditioning or holding of products produced for sale, or in conditioning or holding of articles produced for use or consumption directly in the production of other personal property for sale.
 - (C) As a material or part for incorporation into articles to be produced for use or consumption directly in production of other personal property for sale.
- (9) A sale of a brace or other similar medical or surgical device for supporting a weakened or useless part of the human body.
- (10) A sale of emergency or fire protection vehicles or equipment to a not for profit organization for use solely in providing fire protection and emergency service for a political subdivision of the state.
- (11) A sale, to the holder of an air pollution control certificate, of tangible personal property to be incorporated as a material or part into an air pollution control facility.
- (12) A sale, to the holder of an industrial water pollution control certificate, of tangible personal property to be incorporated as a material or part into an industrial water pollution control facility.
- (13) A sale of tangible personal property manufactured in this state and sold by the manufacturer to a retailer for use in his retail business outside of this state and with possession taken by the retailer from the manufacturer within this state for the sole purpose of immediately removing the property from this state in a vehicle owned by the purchaser.

-
- (1) Mining includes the extraction from the earth of all substances which are classed geologically as minerals.
 - (2) Persons engaged in rendering farming, agriculture, horticulture or floriculture services for others are deemed engaged directly in farming, agriculture, horticulture or floriculture.
 - (3) Persons engaged in rendering services in the exploration for, and production of crude oil and natural gas for others are deemed engaged directly in the production of crude oil and natural gas.
 - (4) The law provides: "Charitable purposes means the relief of poverty, the improvement of health through the alleviation of illness, disease, or injury, the operation of a home for the aged, as defined in section 5701.13 of the Revised Code, the promotion of education by an institution of learning which maintains a faculty of qualified instructors, teaches regular continuous courses of study and confers a recognized diploma upon completion of a specific curriculum or the promotion of education by an organization engaged in carrying on research in, or the dissemination of scientific and technological knowledge and information primarily for the public. Nothing in this division shall be deemed to exempt sales of any organization for use in the operation or carrying on of a trade or business".
 - (5) "Making retail sales" means the effecting of transactions wherein one party is obligated to pay the price and the other party is obligated to transfer title to or possession of the item sold, but it does not include the delivery of items thereafter nor the preliminary acts of promoting or soliciting the retail sales.
 - (6) "Used directly in the rendition of a public utility service" means that property which is to be incorporated into and will become a part of the consumer's production, transmission, transportation, or distribution system and which retains its classification as tangible personal property after such incorporation; fuel or power used in the production, transmission, transportation, or distribution; and tangible personal property used in the repair and maintenance of the production, transmission, transportation or distribution system, including only such motor vehicles as are specially designed and equipped for such use.
 - (7) "Industrial cleaning" means the business or occupation of removing soil or dirt from articles of tangible personal property belonging to others.
 - (8) "Manufacturing" or "processing" means the transformation or conversion of materials or things into a different state or form from that in which they originally existed and, for the purpose of the exceptions contained division (E) (2) of section 5739.01 of the Revised Code, includes the adjuncts used during and in, and necessary to carry on and continue, production to complete a product at the same location after such transforming or converting has commenced.
