Holistic Hoof Oil is an important part of a total hoof care program. This pleasant smelling, premium blend of 100% natural oils will aid in keeping the hoof soft and pliable while promoting new hoof growth. Holistic Hoof Oil does not seal the hoof. It is absorbed by the hoof wall, softening and moisturizing to help prevent cracking and drying out.

Indication: Use whenever or wherever hoof oil is needed.

Directions: Clean the hoof ensuring that all stall debris and dirt are removed. Best used after removing the horse from the bath stall and drying the hoof. Apply on and around the entire coronet band and rub or brush into the hoof wall. May be used daily or as needed.

Ingredients: Linseed Oil, Eucalyptus Oil, Lavender Oil, Palmarosa Oil, and Patchouli Oil

Caution: Keep out of reach of children. For equine use only. For external use only. Do not use on horses intended for food.
