

R/T MEDICATED POULTICE

INDICATIONS:

To aid in the temporary relief of localized inflammation and soreness caused by overexertion.

DIRECTIONS:

Wash the area where this product will be applied taking care to remove all previous chemicals, medication and foreign matter. Apply an even 1/4" over the area to be covered. Wrap with a plastic wrap or moist brown paper and then cover with bandage of choice. Allow to work for 24 hours then remove bandage covering and wash leg thoroughly to remove all of the product.

Repeat as necessary. This product may also be used without a covering.

NOTE

NOT FOR USE ON HORSES INTENDED FOR FOOD.

Discontinue use and consult your Veterinarian if redness or cracking appears. Due to varying environmental conditions and the large amount of moisture in this poultice, liquid may form on the top. This does not affect the quality or effectiveness of this product. Simply pour off the liquid and use the rest of the product as directed. Do not apply to irritated or already broken skin. Avoid contact with eyes and mucous membranes. Wear protective gloves while handling this product. Wash hands and exposed skin after handling this product.

INGREDIENTS:

Water, Kaolin, Glycerin, Boric Acid, Glucose, Methyl Salicylate, Eucalyptus Oil, Peppermint Oil, Methyl Paraben, Propyl Paraben

MCTARNAHANS®

R/T MEDICATED POULTICE

A ready to use Poultice with a unique creamy consistency making it very easy to apply and wash off. It reduces swelling and provides cooling relief from muscular aches and pains due to over-exertion and fatigue. This long lasting medicated poultice easily rinses off without damaging hair and skin.
