

Finish Line®'s KOOL OUT™ POULTICE is formulated for use after any workout.

KOOL OUT™ is mild, effective and unbeatable in its easy on/off application.

RECOMMENDED USES: As an aid in the temporary relief of minor soreness and stiffness due to overexertion in horse's legs and feet.

Directions: For tightening only: Cleanse affected area thoroughly. Apply KOOL OUT™ POULTICE liberally (1/8"-1/4" thick). Finally cover with a thin layer of gauze or cheesecloth and standing bandage. Remove bandages and poultice after 24 hours, rinse with cold water, repeat as needed.

For minor inflammation, swelling and heat: Cleanse affected area thoroughly. Apply KOOL OUT™ POULTICE liberally (1/8"-1/4" thick). Always cover with a sheet of cotton first, then cover with paper or desired wrap. Next, use cotton or a quilted wrap. Finally, cover with standing bandage. Remove bandages and poultice after 24 hours, rinse with cold water, repeat as needed.

As a hoof packing for minor heat and inflammation: Clean the underside of hoof thoroughly. Apply a small handful of KOOL OUT™ POULTICE to underside of hoof and cover with kraft paper.

Kool- Out™ Poultice

Kools and Tightens Legs

Ingredients:

A superior Aluminum silicate blended with Montmorillonites, Purified water, Boric Acid, Glycerine.

- For external equine use only.
- Avoid contact with eyes and mucous membranes.
- Store in a cool, dry (60-80°F) place.
- Keep out of reach of children.
- Not for use on horses intended for food.
