TOPICAL ANALGESIC & ANTISEPTIC

*Sore Muscle & Joint Pain Relief
Stimulates Circulation to Speed Healing*

16 fl oz (473 mL)

ABSORBINE®

The Horse World's Most Trusted Name®

Absorbine® has been trusted for generations to provide herbal healing and fast relief from sore aching muscles, joint and arthritis pain.

DIRECTIONS FOR USE

Legs & Joints: For fast relief of temporary muscular and joint soreness, swelling and stiffness, apply Absorbine Veterinary Liniment (AVL) to sore areas. May be applied two or more times a day.

Arthritis: Deep penetrating heat soothes the pain and swelling of tissues due to arthritis. Rub AVL on stiff and sore joints before and after turn out to increase pain relief.

Muscle Soreness: To relieve pain and stiffness, apply AVL to desired areas and cover with blanket. May be repeated two or more times a day as needed.

Body Wash: AVL cooling body wash refreshes a tired horse. AVL astringents wash away sweat and dirt. AVL's antimicrobial formula disinfects. Herbal oils shine the coat. **Recipe:** mix 4 oz. of AVL and 8 oz. vinegar with 24 oz. of water.

Hoof Disinfectant: AVL's formula penetrates into the porous hoof sole and frog to disinfect. Apply once a week to help prevent bacterial and fungal infections. Use AVL daily to treat hoof conditions such as abscesses, cracks, delamination, Thrush and White Line Disease.

Skin Infections: AVL kills germs on contact and stops the itch in seconds. Use AVL to clean and treat bacterial skin infections like Rain Rot, Scratches, Summer Itch and Tail Itch. Apply to infected area three times a week.

Active Ingredients: Menthol 1.27%, Chloroxylenol 0.50%, Iodine 0.02%. Inactive ingredients: absinthium oil, acetone, blue 1, plant extracts of calendula, echinacea and wormwood; potassium iodide, thymol, water, yellow 6.

Caution: Keep out of the reach of children. Replace cap firmly. For external use on livestock only. Avoid contact with eyes or mucous membranes. Do not apply to irritated skin. If excessive irritation develops, discontinue use and consult a veterinarian. In long standing cases or those not responding to treatment, or in case of puncture or deep wounds, consult a veterinarian.

If you rub, don't wrap.

Danger: Extremely flammable! Keep away from fire, sparks and heated surfaces.
